In mythology, folklore and speculative fiction, shapeshifting is the ability of a being or creature to transform its physical form or shape. This is usually achieved through an inherent ability of a mythological creature, divine intervention or the use of magic. The idea of shapeshifting is present in the oldest forms of totemism and shamanism, as well as the oldest extant literature and epic ...

Fact: Successful Safe Patient Handling protocols yield long-term dividends. 1 Protect your staff and your bottom line. Providing your staff with the proper tools is essential to encourage compliance — investment in appropriate equipment can help reduce the risk of injuries, decrease costs associated with worker compensation claims and downtime, and reduce turnover.
