An auction is a process of buying and selling goods or services by offering them up for bid, taking bids, and then selling the item to the highest bidder. The open ascending price auction is arguably the most common form of auction in use today. Participants bid openly against one another, with each subsequent bid required to be higher than the previous bid.

The legal sector is changing at pace. That means our regulation must be up to date and fit for purpose, providing public protection without hampering the growth and innovation that drives a competitive and effective legal sector. We are reviewing the SRA Handbook in two phases. We are now consulting on the first phase of our proposed changes.

Memo to the Washington Post: The Bible Does Reject 'Transgender' Behavior. The Stream, Sept. 16, 2016. I had already responded on Aug. 15 to a badly done New York Times op-ed that claimed that the Bible depicts God as transgendered and affirms gender fluidity. The WashPost op-ed arrives at a similar ideological objective (i.e., claiming that the Bible is not opposed to transgenderism) but ...
